The New Zealand Private Surgical Hospitals Association (NZPSHA) Inaugural Conference will be held at the Hilton Hotel, Auckland, New Zealand from Wednesday 11th to Friday 13th September 2024.

This NZPSHA Conference will bring together hospital leaders, experts and representatives from across New Zealand's health system. We are planning to discuss and debate relevant issues in the private hospitals sector with panel discussions, keynote addresses and conversations during the social functions. Our delegation will hear from experts in their fields, hospital representatives and inspirational speakers.

We are carefully curating a program that focuses on sustainability and workforce development. This will include a focus on:

- sustainability
- leadership & strategy
- diversity, inclusion & equity
- workforce development

With the inclusion of two masterclasses, a diverse range of speakers and keynote presentations, the conference promises to be an enlightening and immersive experience for all participants. In addition to the informative sessions, the conference will also feature a vibrant exhibition area, showcasing our supporters.

We are also proud to host a Gala Dinner in association with the conference. This will be an excellent networking opportunity and will also celebrate the NZPSHA Awards for Excellence recognising the fantastic work being done in our private hospitals.

NZPSHA Executive looks forward to welcoming you to our inaugural conference.
